

Exciting News

As of May 18, we will be re-opened for regular dental appointments and hygiene visits.

But of course, our world has changed for the time being.

- When our office speaks with you by phone to schedule, there will be a COVID-19 Screening Questionnaire.
- When you arrive for your appointment, we ask that you call from your parking location to let us know you are here.
- You will receive a text questionnaire before coming up, or at our door when we invite you to come up with a mask on.
- Your temperature will be taken, and hand-sanitizer provided.
- You will be escorted to your treatment room.
- After your appointment, we request debit or credit cards to be used where possible.
- We apologize for these inconveniences but know that your dental team is going through such screenings daily as well, in order to protect all concerned.
